MET

minibus executive travel

With over a decade of providing coach travel in the UK, MET has quickly become the number one midi-coach operator in Hertfordshire and North West London.

Winner of a national competition "Midi-coach of the Year 2002" and shortlisted for the "Watford and North London Growing Business Award" we believe that MET have established a reputation for excellence in the services we provide.

Our team can advise on and arrange all your transportation requirements whether it be for an evening theatre trip, outing to the seaside,

airport transfer, weekend away - you can just sit back, relax and let us take the strain.

We have a modern fleet comprising 25 vehicles: 16 seater minibuses, 29, 33 and 40 seater Mercedes midi executive coaches and also a 49 seater coach. Our vehicles are all maintained and presented to the highest standard, fitted with inertia seatbelts to ensure your safety.

Most vehicles are equipped with air conditioning, reclining seats, some with tables and toilet/washroom facilities.

MET's uniformed drivers are friendly, experienced, and fully trained to give an excellent level of customer care, from assisting with your luggage to providing a safe and comfortable journey.

All bookings will be confirmed in writing. We guarantee to keep you fully updated of all arrangements and timings.
